

	Tuesday Sept. 26th Main Event - Day 1	Wednesday Sept. 27th Main Event - Day 2	Thursday Sept. 28th Workshop - Day 3	
9:00	State of the SDR Technology Tristan Martin, Director of Business Development, Nutaq 45 min	5G Massive MIMO Research - TBD PhD Ahmed Ouameur, Radio System and Signal Processing Expert, Nutaq 45 min	Validation of Massive MIMO concepts using TitanMIMO & Matlab Ahmed Kebe, Field Application Engineer, Nutaq 75 min	
9:30				Break
10:00	5G New Radio Evolution Towards 2020 Harpinder Matharu, Director of Communication Business, Xilinx 45 min	Title TBD Francois Lefebvre, Research Director, Communications Research Centre Canada 45 min		Break
10:30		Break		
	Break	Real Time MIMO Channel Sounder & Applications Pierre Laly, Research Engineer, University of Lille - IEMN TELICE Group 25 min	Validation of Massive MIMO concepts using TitanMIMO & Matlab Ahmed Kebe, Field Application Engineer, Nutaq 75 min	
11:00	Practical Obstacles to Massive MIMO Presentation by <i>Industry Leader (#2)</i> 45 min	5G Massive MIMO Research Presentation by <i>academic participant</i> 25 min		
11:30		Break		
	Unveiling of the Demo Area	Lunch & Visit of the Demo Area	SDR Rapid Prototyping Tools Lunch & Learn (#3)	
12:00	Lunch & Visit of the Demo Area	5G Massive MIMO Research Presentation by <i>academic participant (#3)</i> 45 min		
12:30				
13:00	Canada's Research Funding Programs and Collaborative Research Opportunities <i>Presentation by government representative</i> 45 min	5G Massive MIMO Research Presentation by <i>academic participant (#4)</i> 45 min	Break	
13:30		Break		
14:00		Break	5G Massive MIMO Research Presentation by <i>academic participant (#5)</i> 45 min	Validation of Massive MIMO concepts using TitanMIMO & Matlab PhD Auon Muhammad Akhtar, R&D Developer, Nutaq 150 min
14:30	Break			
15:00	Evolution of the Mobile Network Presented by leading Network Operator 45 min	Break		
15:30		5G Massive MIMO Research Presentation by <i>academic participant (#6)</i> 45 min		
16:00	Joint Testbed Opportunities Discussion Panel with Industry Experts 60 min	Shuttle to Old Quebec	Shuttle back to the hotel	
16:30				
17:00	Reception with Cocktails & Tapas	Guided tour of Old-Quebec		
17:30				
18:00
